Air plug female thread 1/4" BSP - European profile DN 7,4

AIRSET®

Cod. IN 10F 14E74

1/4" BSP Female air plugwith **European profile DN 7.4.** Designed for **quick** connection of hoses and pneumatic tools.

When using compressed air, leaks are more common at connectors or quick couplings. These components, if made from poor-quality materials, can compromise your work. It is therefore essential to ensure that the **connection quality is perfect**; this guarantees economic savings and energy efficiency.

Using AMPLA quick connectors in combination with the **AT 240 quick coupling** ensures high quality and long-lasting sealing for your connection.

Features

- Made of iron with **anti-corrosion treatment**
- **Scratch and wear resistant**
- **Compliant with dimensions and standards used**

Attenzione : il produttore si riserva il diritto di modificare le caratteristiche del prodotto in qualsiasi momento e senza preavviso.

TECHNICAL DATA SHEET

Maximum Operating Pressure	**12 bar / 174 psi**
Operating Temperature	**-10°C / 70°C / 14/158 °F**
Nominal Diameter	**7.4 mm**

MATERIALS

Connector	**Iron with anti-corrosion treatment**
