

Linear hose in braided PU 8x12, Quick coupling and plug kit

AIRSET®

Mod. KL0271081210

The braided PU linear hose kit, diameter 8x12 mm, with quick coupling and plug, offers an immediate and hassle-free solution for connecting compressed air. The connection is fast and efficient thanks to the quick-release coupling. **The kit includes a braided polyurethane linear hose assembled with an AT 240 quick coupling and a European profile DN 7.4 plug.**

Features:

- **Braided Polyurethane Linear Hose:** Equipped with a plastic anti-kink spring that prevents scratches on contact surfaces. **Made of reinforced polyurethane, the hose is resistant to bending and crushing, ensuring flexibility and preventing tangling.**
- **Safety Quick Coupling Included:** With 2-step disconnection, it eliminates the whip effect. Ideal for fast and safe connection of blow guns or other pneumatic tools.
- **Plug Included:** Positioned at the end of the hose, it facilitates connection to the air system.

The kit is available in lengths of 10, 15, and 20 meters. Ready to use, it does not require screwing for connection to the system or compressor.

HOSE MATERIALS

Hose	Braided Polyurethane (PU)
Spring	Plastic
Fittings	Brass
O-rings	NBR

QUICK COUPLING MATERIALS

Thread	Brass
Metal parts	Stainless Steel
Body	Technopolymer
Seals	NBR

TECHNICAL DATA SHEET

Operating temperature	-30°C / +60°C
Max. Pressure	12 Bar
